Details

The Great Taste Award Exclusive Diamond Hamper with four bottles of wine blends traditional flavours with contemporary, modern tastes to such an extent that our exclusive hampers clearly stand out impressively in a sea of ordinary competitors. Filled with food gifts which are so impressive in terms of taste, they are able to stand on their own as individual gift items. Great Taste Award accreditation stands testament to their quality. We made it our goal to include traditional foods you expect to see in an exclusive hamper, such as chocolates, baked goods, cheese, chutneys and tea. Yet we dared to include some not so traditional items such as liquor figs, pecan butter, and more. The variety of flavours within the exclusive Diamond hamper will be sure to be an explosion of flavours in your mouth, leaving you longing for more. Your mouth can only help but water imagining all the luxuries placed within this exclusive Diamond hamper! With such a combination of flavours, there is something within this exclusive hamper to meet your every desire. The colour theme within the Diamond hamper reflects the luxurious feel of the products. With traditional kraft, black and white colours the hamper meets the traditional convention of what is expected from a hamper. Yet the splashes of blue and purple filtering through the products adds a deeper layer of royalty and luxury to this grand hamper. The quality of foods, flavours, and colour combined forces the Diamond Hamper to resonate exclusivity and be a complete winner with the recipient. The Diamond Hamper is an all-year round favourite, being sent to people all year to brighten their days. However, at Christmas when as a whole we all love to indulge that little bit more, and appreciate good tasting food more, it is no surprise that the Great Taste Award Platinum Hamper is a top-seller.
