Details

Our Great-Taste Award gift-hampers range is characterised by our desire to create better, modern food hampers that celebrate the skills and dedication of micro producers across the UK and Ireland. Great-Taste range has a perfect blend of both savoury and sweet UK produce to suit everyone's tastes. When creating gift-hampers, we use a unique formula to ensure we include all the traditional elements of gift-hampers in the UK. The GTA Titanium hamper is an incredibly popular all year well rounded hamper, with 5* reviews it is clear to see why! The Great-Taste Award Titanium Hamper includes single estate chocolate truffles, cheese, crackers, and pate. To make this gift a little unique, there is a luxury chocolate hazelnut spread and hand crafted chocolate enrobed apple sticks which will be sure to create explosions of flavour in the mouth. The blend of sweet and savoury snacks within our gift-hampers make them suitable hampers for anyone. The Great-Taste Award Titanium Gift Hamper has a rich golden colour theme common to the products which helps to tie the items together and make them so much more than just a selection of amazing products but great gift-hampers that anyone would be lucky to receive. Our gift-hampers are the perfect size for sharing in a small group of people, like a family, yet it is not too grand that it would overwhelm an individual. If you are looking for a slightly larger gift for a group or individual, our Great-Taste Award range comes in a variety of sizes going up, we are sure there will be something for everyone. Our gift-hampers can be sent anywhere across the UK to deliver the perfect gift to someone. Only once the products are harmonious in colour, taste and purpose are the hampers finalised. When we critique and perfect our gift-hampers to this level we know that our UK and Irish customers will be happy with them. Our GTA range has been delivered to the UK for more than ten years now. All of our gift-hampers for the UK ship within one to two working days after ordering. Normally, delivery to the UK is next day, for more remote areas of the UK it may take an extra day.
