Details

The contents of the Christmas Banquet Extravaganza Hamper are classically understated. A selection of hand chosen sweet and savoury speciality foods, made to authentic recipes by artisan producers, will be warmly appreciated by those with traditionalist tastes. No banquet is complete without something to wash the gourmet foods down, which is why we have included four wines. Maybe four is a little much, but we were aiming for extravagance, so this is the final product we have come to. We know you will love it. The savoury elements are strong and bold in this Christmas Hamper, with a duo of creamy cheeses, which are incredibly popular, even on their own accord. There are also coffees, teas and an abundance of cookies and oatcakes to be enjoyed, the cornerstone of Christmas. It could not be considered a Christmas Hamper without the inclusion of Christmas fayre. This Christmas Extravaganza has an extravagant Christmas Cake, an equally extravagant Christmas pudding and luxury mince pies. A banquet wouldn't be complete without a sweet treat, which is why we included a large box of Lindt Chocolates and a selection of Chocolate truffles, along with other gourmet sweet treats. Christmas is a time to be extravagant, and some people truly are extravagant about Christmas. We are too! This Banquet Extravaganza Hamper has been designed for those exact people. We know who we are creating the Hamper for before we start the product selection, this means once it is completed, it hits the target audience, bullseye. Who wouldn't love this Christmas Banquet Extravaganza.
