When we first created a range of cheese and wine hampers we made sure to include the classic elements that were expected in hampers, as the years have passed we haven't changed our philosophy and make sure to include only the finest, most favourite items found in classic hampers. What makes The Gourmet a clear favourite is the combination of three creamy cheeses accompanied by a full bodied red wine. For any cheese lover this cheese and wine hamper will be a guaranteed favourite. But we don't stop there, adding in sweet and savoury elements to this hamper we are going above and beyond expectations. Luxury items are presented in this gift-basket, such as a farmhouse fruit chutney, chocolate enrobed apple sticks and freshly baked honeycomb bars.
