Details

Overflowing with signature, top tasting gourmet delights this extravagant hamper is filled with a selection of exquisite fresh foods including a succulent ready to eat baked ham, organic smoked salmon, artisan cheeses and a multitude of great taste award winning sweet and savoury delicacies. Combined with a quatro of popular wines, this gourmet hamper is a celebration of food excellence. You will feel like royalty tucking into this Christmas hamper. With four premium wines, five Irish cheeses and a giant ham joint to name a few of the forty-two items in this hamper you will have a feast on your hands that you will never want to end. You may think we are crazy having large hams as part of a Christmas hamper, but they are very popular every year, and always our first to go out of stock. Everyone loves the savoury elements of our hampers. This Christmas Hamper isn't all savoury though. Despite the impressive show of salmon and venison salami there is also an impressive array of sweet treats to be enjoyed over the holiday period as well. We have included the traditional Christmas items that everyone expects and wants in a Christmas hamper and some sweet gourmet treats that are bound to satisfy a sweet tooth. Every item that is packed into or Christmas hampers is full-sized, setting us apart from some other Christmas hamper companies in the market. We try to locally source our products from Britain and Ireland to give our customers the highest quality gourmet products and products that they are unlikely to come across in their everyday day-to-day lives, making it that bit extra special. Because we pack our hampers in house, we not only get to hand design our hampers to make sure they are perfect but also get to hand pack them ourselves. This ensures that we know exactly what is in every hamper that we send, that it has been packed properly, and most importantly that it looks good!
