Details

As the name suggests, this is our signature Christmas wicker Hamper choice filled with the highest quality foods traditionally associated with the festive period. One of our all time top selling gift hampers, which has evolved over the years to stand out in a crowded market place as representing refined excellence and an outstanding price point. Wonderfully traditional seasonal fayre handmade by homegrown artisan producers. Highlights include deliciously buttery sweet mince pies, rich fruit cake and Christmas pudding made by a master baker. Combined with a selection of specialty foods made to authentic recipes ensures an impressive Christmas Hamper full of ingredients that will tickle their taste buds and broaden their palettes. The Christmas Traditional Banquet Hamper oozes tradition, with a focus on the savoury elements of Christmas, teas, coffees, cakes and biscuits. However, a Banquet wouldn't be complete without some sweet treats which is why we have included a box of luxury Lindt, chocolate truffles and other chocolate treats. A perennial favourite over the span of two decades, as time has gone by, the original concept behind the creation has survived intact. A cursory search through at its place in the market at this price point shows it is better value than a department store, has more charm than a direct market competitor and is more customer focused than a specialist producer. We only do gift Hampers, so we do them to perfection, updated each year for customer satisfaction. It is simply an authentically classic and fantastic traditional hamper immaculately presented and professionally delivered to ease the difficulty of Christmas Shopping.
