

Christmas Traditional Celebration Duo Gift Hamper

£126.66

IN STOCK

Quick Overview

We've made one or two improvements to the Christmas Traditional Celebration Duo Gift Hamper this year, but it still retains the popular award winning leading products, which has made it a star buy. Celebrate in style, with two bottles of wine and a Celebration Hamper just in time for Christmas.

Details

Christmas Hamper designated a star buy year after year on the basis of its sales performance. Every year we maintain the core Award Winning Products focusing to a special extent on the quality of the Baking and Production process and maintain the simple formula of procuring wine which is delightfully quaffable without overburdening the budget. If you are unsure of what to buy someone for Christmas this year, you have landed in the right place, the Christmas Traditional Celebration Duo is a perfect solution. Our Christmas Traditional Celebration hamper is available to buy from the 3rd week in November because we don't believe in packing long life products by themselves, so we wait until the very last minute before we start packing the freshest products. In this regard we're a bit like harvesters patiently doing all the things we need to do to prepare but waiting for the perfect time to pack rather than pick. It's what distinguishes our Christmas Hamper Creations and we simply refuse to make things easier for ourselves. Christmas Pudding, Mince Pies and Christmas Cake mixed in with chocolates, shortbread, mint chocolates all of which are made by micro food producers. Every year we make a substantial but strictly limited number of the Traditional Celebration Hampers with the clear policy of selling what we have rather than trying to sell whatever we can. When it comes to Christmas Hampers, we're product specialists. We're a very small company, but that's what makes hampers such as our Celebration Duo so refreshingly different. We have to try harder to maintain your business so we work extremely hard to exceed your expectations in terms of quality and presentation.
