Details

A Christmas Hamper with Feast in the title must contain better and more. The 2022 version of one of last year's Top Three selling Christmas Hampers meets those expectations. The Christmas Traditional Feast is one of our customers' all time top Christmas Hamper creations. Perennial Top Seller every Christmas. Illustrating our consideration for tradition and your suggested improvements. If you are searching for a hamper, which contains traditional flavours in a modern and exciting manner, then this may be the Christmas Hamper for you. It is hugely popular, due to its looks, its size and very popular price point. Including lots of Christmas fayre, this Gift Hamper not only includes a rich Christmas pudding, but also luxury mince pies, and if that wasn't enough there is also a Christmas Cake. Focusing on the savoury, which this hamper does, we have included cheese, oatcakes, chutneys and tea. However, there is also a wide selection of sweet gourmet food products, with a selection of chocolate truffles, chocolate apple sticks, a big box of Lindt chocolates, all time favourites. Christmas is a time for indulgence, and that's what this Gift Hamper delivers. Every product that is put in must be coordinated, which is why we make sure the product selection is harmonised in taste, in colour and in purpose. This is why our Gift Hampers stand out compared to everyone else.
