Details

What makes the Sparkling Chocolate Eruption gift basket a very worthy gift contender, is of course the full bottle of Prosecco Guerieri Rizzardi, Italian's answer to champagne, which everyone in the world recognizes as a premium wine producer. But it's also the thought and effort that has gone into the selection of sweet treats in the gift hamper. The sheer variety of chocolate types and flavours from multiple producers, making it both safer and also a more intriguing gift basket for those who you know are partial to good chocolate. Our skilled team of gift basket designers transform all these components into the perfect present with professional gift wrap and high presentation ribbon, to ensure that it makes an impression both on arrival and when they partake of the gifts inside. There are absolutely amazing chocolates in this gift basket including Lily O'Brien's Dessert Collection with an irresistibly smooth center guaranteed to melt the heart of every chocolate connoisseur. What really makes this gift basket perfect for every occasion is the chocolate cake from Patton's Bakery. This cake can really change the gift basket. Based on the message you send with your gift basket our team will personalise your gift, making your cake a birthday cake or a congratulations cake or 'just' a cake, whatever is appropriate. Making your gift basket as special as we can.
