## Quick Overview

Birthday Hamper Gifts are highly popular in the UK as the standard product selection tends not to venture too far from tried and tested formulae. This Birthday themed Afternoon Tea hamper can be personalised for any age of birthday from 22 to 99 by means of the colourful cake packing by simply mentioning the recipient's age in your gift card message.

## Details

The name Fancy Pantry reflects the quality and provenance of the constituent parts of the Birthday Hamper. We think we've created a really good product with the Fancy Pantry and when we tweak it to be appropriately customised for a Birthday, it is clear to anybody that this is a hamper, which is traditional in heritage, but imaginative and forward thinking in design. It doesn't aim to services a clear demographic or market, it simply exists as a top quality Birthday Hamper rooted in traditional products and steering clear of alcohol by making a specific point to centre the gift theme around Tea & Coffee. We've included Gold Taste Award Winning Producers and kept the flavours simple. There are no unusual flavours, just simple black tea and high quality coffee bags. However just in case we're accused of being boring, we couldn't resist slipping in a little bottle of Green Tea Sparkling. Drink this chilled and you'll be hunting for it in the shops; Guaranteed.
