OUT OF STOCK

Quick Overview

A refreshed Xmas Hamper for 2022 cleverly created to respond to the modern age. A popular business gift and wonderful assortment of quaffable party vinos. A perfect Gift Hamper for every Christmas Celebration.

Details

The Xmas Celebrations Party Hamper is not just a condensed version of our top selling Christmas Traditional Celebration Hamper. It has been re-thought and re-imagined and we only have a few hundred available on a strictly limited basis. When we ensure that everything is fresh with as little preservatives, we cannot afford to throw this out, so we create with the intention of selling out. This also improves the quality, as they are freshly baked, local products. The Xmas Celebrations Party Hamper is so popular because of the evidently Christmas theme that runs so strong with it. A beautiful red and green theme is evident, in the most sophisticated way, ensuring that when it arrives, it looks as good as it tastes. The Christmas fayre included is exquisite, with luxury mince pies, a traditional Christmas pudding and a Christmas Cake. With a chocolatey assortment too, indulgence will be of the essence. The recipient will surely know it is Christmas when this arrives for them. Beautifully presented in a Gift Basket, wrapped with a big shiny ribbon, with their name on it. Combining the food with wine is a popular customer request, but rather than continuing along the path of making things smaller, we've done an immediate about turn by saying no to reducing the size of the bottles of wine. Celebrate and Party with this Xmas Hamper. With slightly different products than last year and a focus on only including the best traditional and most popularly versatile food items, the overriding objective of this new Christmas Hamper is to make sure everything is enjoyed and that the enjoyment is of a sufficient level that the selection is sought out by the recipient. As a company we've gone beyond the point of differentiating our creations according to the specific product amendments and we can't just leave it to the robots to determine what the Christmas hampers of the future will be because they will be miserable little tasteless creations with nothing in them.
