Details

You may think we are crazy having large hams as part of a Christmas hamper, but they are very popular every year, and always our first to go out of stock. Everyone loves our savoury hampers. Showcasing the excellence of micro food producers across Ireland & the provinces of the UK, this Christmas food hamper is hand crafted with a harmonious blend of savoury and sweet artisan foods that will delight the taste buds. Amply filled with a selection of deliciously fresh, great taste award winning artisan foods including; a large cooked ham, organic smoked salmon, wild venison, dry cured beef, & cheeses. Paired with a variety of sophisticated snacks and gourmet provisions ensure that this hamper will be top of their favourite Christmas gifts this year. Christmas hampers have to include some Christmas fayre, which is why we include not only a rich Christmas pudding, but also luxury mince pies, and even a Christmas cake. The savoury elements, which this Gift Hamper focuses on, includes four cheeses, life's finest delicacies. To go with the cheese there are oatcakes, chutneys and teas. However, at Christmas it would be wrong to not have a selection of gourmet sweet foods also tucked away in your hamper. We have included a selection of chocolate truffles, chocolate apple sticks and a big box of Lindt chocolates. This Artisan Feast Hamper is truly outstanding. There is a recurring red theme running through the products in our Artisan Feast Hamper, this brings the gift together, because when the products are harmonized in taste, colour and purpose, the products are not an array they come together to create one ultimate gift.
