Quick Overview

Treat your special man this valentines with a gift basket filled with lovely treats. We have included savoury snacking such as cheese, nuts, and oatcakes as well as a varitey of chocolates for the sweeter tooth. This gift basket also includes a few pamper products for the man who needs just a little bit of TLC. We are sure this gift basket will make him feel as special as he is to you.

Details

Men have a habit of spoiling their partners all year round, it's time they got something special in return at Valentine's! This gift basket is for a man who likes a little pampering. It focuses on snacks yet we have included a Wild Olive trio shower set and a unique shaving bar for a little something special. In this gift basket you will find a scrumptious chocolate cake, along with salty nuts, nutty cheddar cheese and Irish oatcakes, to go down with a ginger beer. It really is the perfect combination for those men who want to relax and kick their feet up with a few snacks, perfect for a romantic evening together.
