Details

Choice of: Organic Fairtrade Golden Earl Grey - Single estate fine black tea with the vibrant, invigorating taste of pure bergamot for a refreshing twist on a classic.

Organic Digestif Blend - Soothing Oolong tea, naturally rich in antioxidants with fennel, anise and ginger – ingredients reputed to help aid digestion. It makes a great alternative to after-dinner coffee as the fresh taste of fennel and mint make it perfect for cleansing the palate.

Organic Golden Afternoon- a smooth and delicate single estate black tea with mellow taste without the harshness normally associated with large-leaf black teas. The subtle delicacy of a fine black tea at its best. Drink without milk because it's delicious by itself.

Really Healthy Organic Pomegranate & Blueberry Green Tea Plus - Refreshing blend of mellow, high mountain green tea and specially selected ingredients including blueberry, pomegranate and red grape. The abundance of real fruit gives this tea a delightfully fresh, fruity taste.

Lemon & Ginger Green Tea - Warm and refreshing delicately spicy refreshing tea. The warmth of ginger combined with refreshing lemon grass, lemon peel and fennel.
