Quick Overview

Our Tea and Biscuits Hamper was one of our fondest and earliest creations when we started Basketsgalore. The updated version for the modern age reflects how we have approached our role in the gift basket industry. It's the same price, has more contents and has a professional quality of presentation than all those years ago.

When you are considering the component parts of a Tea and Biscuits gift, it's simple to understand that the key parts of such a gift must stand out as being of exceptional quality. With this in mind we selected Great Taste Award WInning Teas, namely Bells Tea Bags and Qi Organic Oolong Tea Bags. The budget allocation is weighted more heavily in favour of Black Tea because we recognise that this is the more popular taste in Britain, which is why the loose leaf tinned variety is a black tea blend. However the Oolong Tea is delicious and acts as an interesting alternative option with.the final Tea being an English Earl Grey variety making this is a truly great gift for tea drinkers. We've selected 4 types of biscuits to co exist with our Teas and they come from all around Britain and Ireland, We have Welsh Waffles, Scottish Shortbread, Irish Organic Oat Cookies, alongside Cantucci Biscotti made locally. Not great packaging, but great taste and simply has to be included in a Tea Gift Basket. We have rounded off the Tea and Biscuits Gift with ooh Orange and Fig Chocolate discs, which are made in England by a small regional producer.
